

I thought our
friendship would
last forever.

I firmly believed
that it would not
break.

그녀석과 나, 그리고 그녀

Him and Me, and her

김락현
Kim - Rak-hyun

So, you
spent a
whole
night?

When
I went to
bed, I saw
sun coming up.

Fuck, that
game was
pure grind-

Nice timing - I

She's pretty
as usual ~

Do you
know her ?

Ah, I guess I
was too bold.

No, no,
I was just,
let's say,
freshening
up my eye
bells...

Love at
first sight?

What?

FOREVER
basketball
boy, Lee Eun Goo,
falls for a girl?
Really ?

Oh, shut ...
Don't tell me ...

We decided
to go out.

Get out.

You really
want me to
burn down
a building or
two, don't
you?

... Well, yeah,
that's fine, I guess.

I guess
I won't be
able to tell
her now.

I like
you - I

What kind of plot progression is this!!

Ah

Why not ?!
You liked me
before he did,
didn't you ?

I liked you
first
also !

Even when I
was going
out with
him, I was
looking at
only you !

You still like
me, don't
you ?
Answer me !

... After that day,

many things changed.

And I realized our 10 year-old friendship
was nothing more than a fragile sand castle.

You've
been acting
strange.

reply

You don't
call me
anymore.

And when we
do meet up,
you do some-
thing else.

Jung
Hyu-Jin,
are you
listening
to me ?

Don't
ignore
me !

What is
more
important
for you ?
Me or a
basketball ?

... Which one do you
think is more important,
love or friendship ?

Let's end
this.

Don't call
me anymore.

Hey, I heard
Jong-Seong
came to
school today.

Huh, yeah.

He might cause
another trouble
right after his
suspension is
over.

How
come?

His girl went
for another guy
while he was
gone, it was told.
He's looking for
the guy.

And a bitch.

Geez, she's
a bitch and a fox.
I wouldn't want
a girl like her
even if she
wants me.

Are you
mad?!

I said,
kneel
down.

Option

You touched
what wasn't
yours.
Beg for
forgiveness.

Who do you
think you are
anyway?

Right,
what a world
it has become.

You were
staring at me
so often that
I let you play
with me for
a while.

Now he
thinks I am
nothing.

What are
you laughing
for?

I asked you
a question!

You jac -

!!!

아
아

Say that again.

Love and
friendship?

What are
you, a girl?

Just answer
me. Your
friend and
lover are
both drowning.
Who will you
save first?

My lover.

Oh, I see.

That's the
man's
romance.

Protecting
his girl with
everything
he has.

Romance.
We aren't
talking
movies.

And then...

I will die
with you.

Happy
now?

Die alone,
jackass.
I can swim.

Why did
you ask the
question
then?

What did
you come
here for...

Came to
enjoy the
view of you
being beaten
the crap out
of.

Oh, I see.

Interesting
that you joined
the party.
I guess it had to
be SO, eh.

They pissed
me off.

Heh, what an
idiot you
are.

Hey,
dude.

I am sorry.

Anyways
what a
turn around.
I thought it was
a red velvet
carpet.
A mate it
with.

Nuclear
mans...

Don't make
me laugh.
My nls
hurt.

Then let
me tell you
something
serious.

Which
is ?

They took my
wallet actually.
So, you buy
me a meal.

... Die
already.

It looks like our next movie

will be... *My nls hurt.*
